

CHARTwell
BIRCHWOOD
retirement residence

making people's lives BETTER

“Enjoy the retirement lifestyle you desire in a warm, intimate atmosphere defined by **friendship and support.**”

PART OF OUR LOCAL COMMUNITY SINCE 1988

Chartwell Birchwood is a small, established retirement residence with a strong local reputation in Chilliwack offering independent living, assisted living and seniors' cottages. We're known for our intimate, supportive atmosphere and tight-knit group of residents, long-service staff and volunteers.

You'll love our great location in Chilliwack, as a major revitalization has swept through the city, with new shops and restaurants for you to explore.

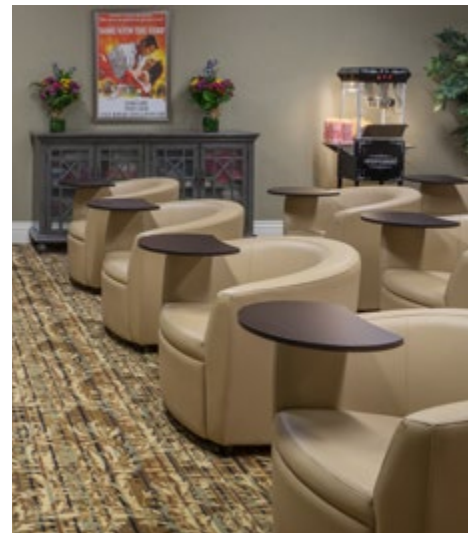

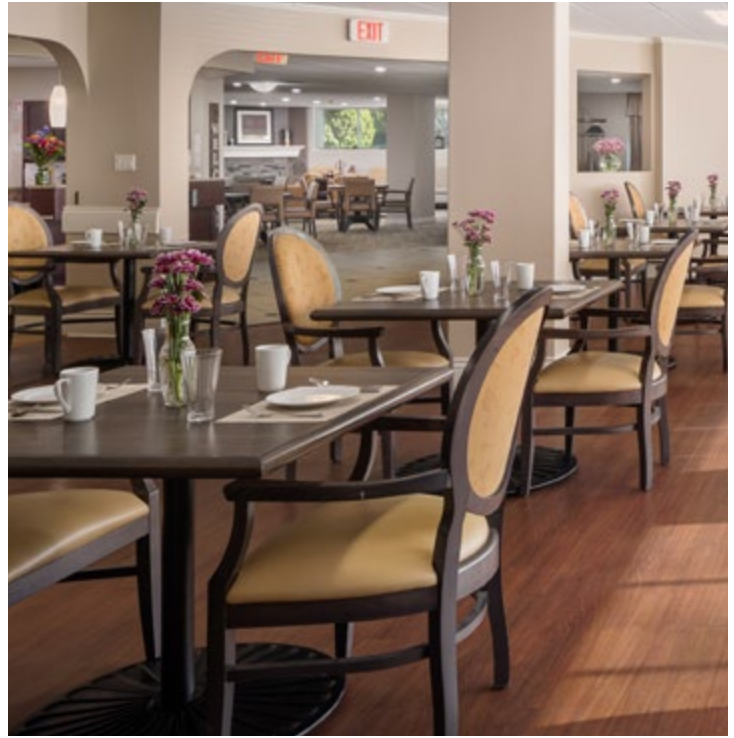

Re-discover your community and its new offerings, or re-visit local staples such as Leisure Landing. Let your feet guide you towards neighboring cultural centres and let your mind wander in nearby art galleries. For those who wish to stay active, Townsend Park is just next door, and you won't want to miss out on the gorgeous views of Mt. Cheam, the Eastern Hillside and Little Mountain. Chilliwack Hospital is also within walking distance.

OUR UNIQUE LIFESTYLE

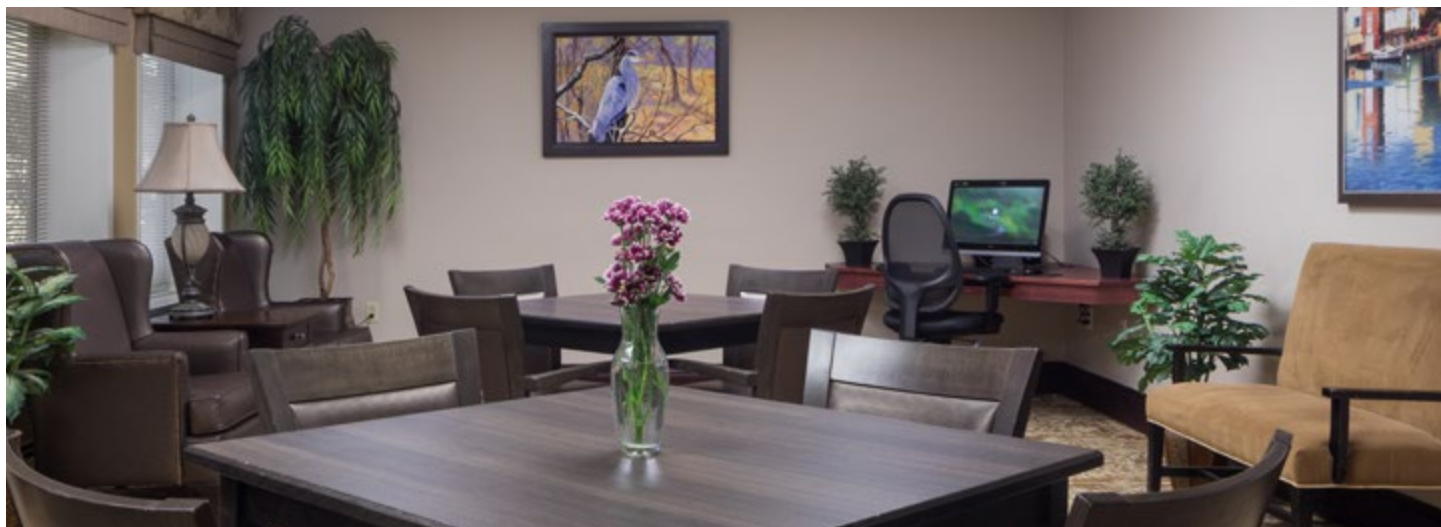

At Chartwell Birchwood, we provide services like delicious and nutritious dining, housekeeping, care options and enriching lifestyle experiences, social events and outings. In addition to the availability of registered staff 24/7, here you will also benefit from complimentary shuttle service you can book for appointments or errands. Based on your lifestyle and preferences, you can choose from bright and spacious studio, one- and two-bedroom suites featuring full kitchens, accessible washrooms and patios or balconies—and don't forget our unique seniors' cottages!

When you aren't enjoying the comfort of your suite, you may find yourself relaxing in our warm and welcoming lounge, reading in the library, getting your hair done in our salon, or playing billiards with friends. You'll also love our famous Happy Hour and food tasting events.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
