

CHARTwell
CHRISTOPHER
TERRACE
retirement residence

making people's lives **BETTER**

In the heart of Burlington,
a welcoming and friendly
residence offering a social
and active lifestyle.

PART OF OUR COMMUNITY SINCE 1988

Chartwell Christopher Terrace is an established retirement residence with bright and fresh décor welcoming seniors searching for an independent supportive living lifestyle. We offer spacious and bright studios featuring kitchenettes and one-bedroom suites.

Burlington may only be a small city, but it is considered one of Canada's best communities to retire for seniors. Within just a few minutes of downtown, our desirable location is near

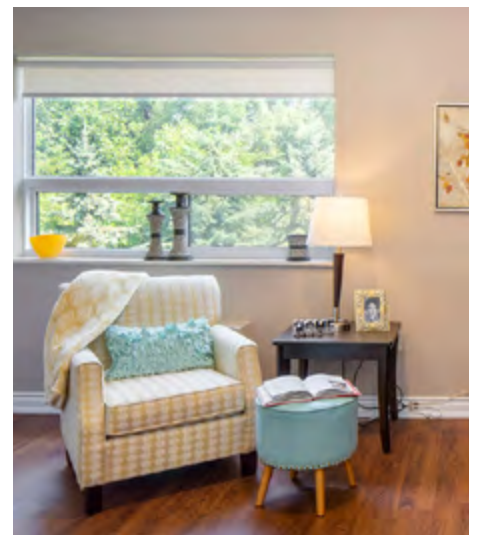

many convenient services and amenities—some within walking distance—including grocery stores, Walmart Supercentre, liquor stores, pharmacies, coffee shops, places of worship, and more. We are also nearby major malls, including Burlington Mall, Mapleview Mall and Roseland Plaza. If you wish to stay active, we're just south of Lake Ontario, with its waterfront walking trails, Spencer Smith Park and Brant Street Pier, one of the city's signature attractions.

OUR UNIQUE LIFESTYLE

Our traditional retirement home enjoys a strong reputation, thanks to our friendly residents and staff, known for their outreach in our local community. Our long-standing staff and engaged residents are why we boast such a warm and inclusive atmosphere, where people from every background are welcome. In addition, being a smaller home means we benefit from an intimate setting, where everyone can get to know one another well and staff can provide an exceptional customer experience by developing relationships built on respect and friendship.

Our variety of on-site amenities are also where you'll experience a wide range of optional life enrichment programs for a more fulfilling and active social life. You can also enjoy nature at its finest as we're surrounded by beautiful green spaces, including our lovely courtyard and gardens.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
