## PART OF OUR LOCAL COMMUNITY SINCE 2006

Chartwell Hampton House is a boutique retirement residence in Chilliwack, ideal for independent seniors desiring an engaging lifestyle. We welcome you to experience the lively atmosphere in our open-concept amenities, all located on our main floor. Our suites come in cozy one- and two-bedroom layouts, and include full kitchens or kitchenettes, patios, or balconies overlooking memorable mountain views. Our resident community is vibrant, inclusive, and engaged, and you'll often see them enjoying weekly themed activities and our famous Rhythm N' Moves exercise program.

Locally, a major revitalization has swept through the city of Chilliwack, including new shops and restaurants. Here, you can re-discover your community and its new offerings, or re-visit local staples such as Leisure Landing. Townsend Park is just next door, and you won't want to miss out on the gorgeous views of Mt. Cheam. Chilliwack Hospital is also within walking distance.

## OUR UNIQUE LIFESTYLE

Along with our variety of suites, including layouts with an additional bathroom and in-suite laundry, we welcome you to enjoy delicious and nutritious meals in our dining room twice a day, with the option of having breakfast with us too. As your needs evolve, our care support evolves too. With Fraser Health offering home care support, our hearing aid clinic and Chilliwack's only geriatric pharmacist, you can age comfortably here with the peace of mind you deserve.

Our staff is a big factor in our residents' satisfaction, and we're proud to have many long-service individuals, all of whom are dedicated to forging close relationships with you so they can anticipate your needs and foster a sense of family.
