PART OF OUR LOCAL COMMUNITY SINCE 2000

Chartwell Langley Gardens is an established continuum of care retirement residence with an inviting, inclusive feel and a strong reputation in North Langley. We offer multiple levels of care under one roof—from independent living and assisted living to Memory Living and long term care. We are an attractive choice for couples with differing care needs, and you'll find we boast an engaging population of residents as a result!

A part of the family-friendly Walnut Grove neighbourhood, our residence blends seamlessly with our lush community, where you'll find an

abundance of mature trees, parks, and greenery. Also nearby is shopping, restaurants, and other accessible local amenities, with Walnut Grove Walking Trail connected to our very backyard. For visiting family and friends, we're within an easy distance of Highway 1 and the Golden Ears Bridge too.

OUR UNIQUE LIFESTYLE

At Chartwell Langley Gardens, our lifestyle provides the perfect marriage of freedom, support, and convenience. We offer a wide selection of open-concept studio, one-, one-plus-den and two-bedroom suites, some featuring fireplaces, balconies, in-suite laundry and exclusive courtyard views – the choice is yours!

Meanwhile, the vibe at our home can be described as casual, comfortable, and social. When you aren't relaxing or hosting friends in your spacious suite, you may find yourself savouring one of three delicious daily meals in our lively dining room, playing billiards, enjoying a drink at Happy Hour, gardening on our manicured grounds, getting your hair done in our salon, reading in the library, or out shopping via our private shuttle bus. Our open-concept main lounge—including a piano and fireplace—and beautiful interior courtyard also serve as the social gathering places of our residence.
