

CHARTwell

LE PRESCOTT

résidence pour retraités

making people's lives BETTER

“Worry-free retirement living in the heart of Vaudreuil-Dorion.”

PART OF OUR COMMUNITY SINCE 2017

Offering a safe, social atmosphere within the vibrant community of Vaudreuil-Dorion, Chartwell Le Prescott is a retirement residence for seniors seeking an independent living lifestyle. Our modern atmosphere, bright and spacious suites, and warm décor make our residence an ideal setting for a worry-free retirement.

Located beside the Vaudreuil-Dorion train station, our retirement residence combines the convenience of city living with the peacefulness of a residential neighbourhood. Our most

prominent neighbour is the local clinic, which you can access across the street. You may also recognize our outlet stores—Les Avenues Vaudreuil—with your choice of big brand names in beauty, clothing and much more. And if you wish to stay active, you may find yourself visiting the Multisports centre, or taking your grandkids to Parc Audrée-Joliat, a popular winter location for sliding. While you're out, you can also run errands at the local pharmacy or visit the SAQ!

OUR UNIQUE LIFESTYLE

With a wine cellar, movie theatre, indoor pool and golf simulator, Chartwell Le Prescott provides many opportunities for you to connect with others or spend time relaxing in peaceful surroundings. Here, you can enjoy the sense of comfort that comes from being a part of a close-knit, friendly community who supports one another.

At Chartwell Le Prescott, you have a wide selection of apartments to choose from, including studio, one-, two- and three-bedroom layouts. Discover our superior finishes to add that stylish touch to your new home too! The option is yours, whether you'd like to stay in and cook a meal in your full kitchen or head down to our dining room where we offer a variety of tasty and nutritious meals. We also offer monthly housekeeping, along with additional services to help you live worry-free.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
